EDUCATION

California Polytechnic University

San Luis Obispo, CA

Bachelor of Science in Software Engineering

Sep. 2024 – Jun. 2028

- **Relevant Courses:** Data Structures, Object-Oriented Programming, Discrete Structures, Intro to Computer Organization, Systems Programming, Design and Analysis of Programs

PROJECTS

Miraculous Ladybug Virtual Game | *Java*

Oct 2025 – Dec 2025

- Refactored a complex Java codebase to improve system cohesion, decoupling bloated classes into streamlined and specialized subclasses.
- Applied advanced OOP principles to improve data encapsulation and logic flow, transitioning the project towards a modular structure.
- Developed a multi-level game with storyline, challenges, and home map.

Chasing the Cheddar | *JavaScript*

Oct 2024 – Dec 2024

- Created and coded a 2D single-player obstacle game as a group project.
- Led team meetings, delegated tasks, and ensured milestone completion.
- Developed a multi-level game with storyline, challenges, and home map.

The Adventures of Herm | *Python*

Apr 2024 – Jun 2024

- Designed and implemented a text adventure game for class assignment.
- Planned story, mechanics, and interactive elements for engaging gameplay.
- Implemented features like global inventory and dynamic text descriptions.

CAMPUS INVOLVEMENT

Study Abroad

June 2026 - August 2026

University Studies Abroad Consortium (USAC)

Yonsei University, Seoul, South Korea

- Studied at Yonsei University in Seoul, South Korea through the University Studies Abroad Consortium (USAC)
- Immersed in Korean culture and developed cross-cultural communication skills through academic and community experiences

Campus Director

May 2026 – Present

Women in Software and Hardware (WISH)

San Luis Obispo, CA

- Organize all WISH on-campus involvement such as Club Fairs, Social Events, and Mentorship Program
- Facilitate WISH Campus Team's Events and Meetings
- Coordinate officer involvement in campus outreach events and social events

Mentorship Officer

May 2025 – May 2026

Women in Software and Hardware (WISH)

San Luis Obispo, CA

- Organized WISH's mentorship program by pairing students with mentors and planning events for the program.
- Served as a member of WISH's campus team, hosting events and on-campus outreach.
- Arranged activities and games for general meetings and various events.

Social Chair

April 2025 - May 2026

Kaja Krew (K2)

San Luis Obispo, CA

- Planned large and small social events for 90+ general members in the club.
- Coordinated catering, media, audio, logistics, etc. for various events on campus.
- Hosted a wide variety of events from large on-campus banquets and gatherings to beach bonfires and crafting socials.

ADDITIONAL

Certifications: Solidworks, Adobe Photoshop, CPR

Technical Experience: Blender, AutoCAD, MIG Welding, SMAW, Oxyacetylene Welding

Strengths: Communication, Agile Development, Problem Solver, Quick Learner, Good Collaborator, Confident, Flexible
